Product Description

Item# 80679000 **Common Name** CAT'S CLAW BARK

Master Lot Number 69119 **MFG Date** 1/24/2014 **Best By Date** 1/24/2019

Physical Properties Hydro-ethanolic Liquid Extract **Herb Strength Ratio** 1 : 3

Extraction Solvent: Grain Alcohol, Water **Extraction Method:** Maceration **Concentration Method:** Evaporation (24 mbar/60° C) **Dosage Form:** Liquid Extract

Microbial	Method	Specification	Test Result	Notebook
A.P.	TM-045 Soleris/Plate	See Note A	Pass	DC31p75
Yeast & Mold	TM-046 Soleris/Plate	See Note A	Pass	DC31p75
E. Coli	TM-047 Soleris/Plate	Absent in 10 g	Pass	DC31p75
Salmonella	TM-051 Bio Control 1-2	Absent in 10 g	Pass	DC31p75
Conditions	Method	Specification	Test Result	Notebook
% Alcohol - Alcolyzer	TM-056 Alcolyzer	50% - 60%	55.33 % (vol)	JY45-59
Heavy Metals	Method	Specification	Test Result	Notebook
Arsenic (As)	TM-038 ICP-MS	See Note B	Pass	CD2-169
Cadmium (Cd)	TM-038 ICP-MS	See Note B	Pass	CD2-169
Lead (Pb)	TM-038 ICP-MS	See Note B	Pass	CD2-169
Mercury (Hg)	TM-038 ICP-MS	See Note B	Pass	CD2-169

Note A: Gaia Herbs has adopted stringent industry and US FDA safety limits for aerobic plate count, molds, and yeasts, assuring the microbial safety of all our products.

See: www.ahpa.org/Protals/0/2009/10_0120_Guidance_Policies.pdf

Note B: Gaia Herbs has adopted the CA Prop 65 safety limits for heavy metals. These limits are the most stringent in the United States, assuring that all Gaia Herbs products are free of heavy metal toxicity.
